Dear Prof. Dishovsky:

As Secretary-General of IUTOX it is my sincere pleasure to inform you of the acceptance of the Bulgarian Toxicological Society into the International Union of Toxicology (IUTOX). The goals of IUTOX are to foster worldwide cooperation and education in toxicology. We are pleased to be able to work with your Society to achieve these goals, and those specific to the Bulgarian Society.

As a Member Society of IUTOX here are some benefits that you will receive:

- Broadcast emails about upcoming meetings
- Your societies important meeting information posted on the IUTOX Website
- A listing of your current Membership information listed in our online directory

As a Member Society of IUTOX you are also expected to pay your Societies yearly annual dues. You will receive an invoice at the beginning of each year. Your dues amount is calculated based upon the amount of members your Society has.

Again, I would like to welcome the Bulgarian Toxicological Society as a new Member of IUTOX.

If you have any questions or concerns regarding your membership or other issues, please do not hesitate to contact IUTOX headquarters at [iutoxhq@iutox.org](mailto:iutoxhq@iutox.org).

Sincerely,

Meryl H. Karol, Ph.D.  
Secretary-General, IUTOX
